SCHOOL ETHOS AND AIMS

Ethos

Hawkesdown House School is dedicated to the provision of an outstanding early education where the children are nurtured as individuals and which fosters self-confidence and respect for others. The School is a non-denominational school with a Christian ethos.

A school owes its pupils the determination, direction and structure that will help them grow in achievement and self-reliance. It owes them the interest, insight and encouragement to seek and find talent and to give its pupils self-esteem and pride in their work, leading to a generosity of spirit and fulfilment in life.

Aims

- To be a safe place where people are kind and considerate, a place of fun and success to remember with warmth.
- To be a place where a child can start his school life happily and make early friends with confidence.
- To provide an excellent education, with inspirational teachers dedicated to imparting knowledge with passion and who challenge the mind and the imagination.
- To prepare the children for entry to the highly competitive London day schools and country boarding schools.
- To continuously review the educational provision, aims and outcomes for the children.
- To be a community where individuals flourish and where cheerful teamwork prevails; within the school, with parents and with the wider community.
- To foster a joy of learning, self-confidence and respect for others.
